*U-Link Phase I, Survey 2*

March 18, 2020 5:48 PM EDT

QID1 - Hello, My name is Dr. Casey Klofstad. I am a professor at the University of Miami.

I am asking you to take part in a research study to learn more about your background and your opinions about politics and current events. You will be asked to complete a survey about your media use and attitudes. The survey will take approximately 15 minutes to complete. Your participation in this study is voluntary. If you choose not to participate or to withdraw from the study at any time, there will be no penalty. While there are no direct benefits to participating, this research will provide insight into the role of media in politics and current events. Your participation should not result in any foreseeable risks or discomforts. The questionnaire is anonymous. The results of the study may be published, but your name will not be known. This study is not commissioned or funded by any company. We sincerely appreciate your time. If you have any questions before, during, or after the survey, please contact Dr. Klofstad at [c.klofstad@miami.edu](mailto:c.klofstad@miami.edu) or (305) 284-8861. If you have questions regarding your rights as a research participant, please contact the University of Miami, Human Subject Research Office at (305) 243-3195. Thank you for your help. Clicking "Yes, I consent to participate" below will be considered your informed consent to participate and record your anonymous responses in this research study:

Q81 - Next, we would like to get your feelings toward political leaders and media outlets.

Please rate names listed below using the "feeling thermometer" slider bars. Ratings

between 50 and 100 degrees mean that you feel favorable toward the name. Ratings

between 0 and 50 degrees mean that you do not feel favorable toward the name. If you

come to a name you don't recognize, you don't need to rate it. Just move on to the next

one.

Q46 - Your state government is considering passing a law prohibiting stores from increasing prices—"price gouging"—during a natural disaster (i.e., disease outbreak, natural disaster). Stores that attempt to "price gouge" may be prosecuted. A majority of expert economists agree that because of this law some stores will likely close because it will not be worth the safety risk to stay open. Do you support this law?
